Sir,

I have the honour to report that on the 29th March 1919 I received information that one Venkatappa, Shanbhogue of Mallaghatta, Kasur Taluk, had given a false declaration of stock of his village in the Census taken on the night of the 15th March 1911. I accordingly proceeded to Mallaghatta on the 29th March 1919 and made enquiries. I found that the Shanbhogue had given a false declaration of stock in the Census of 1911 in order to avoid the payment of Cattle Tax. The number of cattle in the village was 224 but the Shanbhogue had entered only 124 in the Census schedule. I have therefore imposed a fine of Rs. 100 on the Shanbhogue under Section 224 I.P.C. and have realised the amount from him.

2. The Shanbhogue has represented to me that he was not aware that he was committing an offence in giving a false declaration of stock in the Census schedule and that he would not have done so if he had known that he was committing an offence. He has also represented that he is a poor man and that the fine of Rs. 100 will be a heavy burden on him. I have explained to him that ignorance of the law is no excuse and that he has rendered himself liable to imprisonment for a term which may extend to six months or to fine or to both under Section 224 I.P.C. I have however decided not to refer the matter to the Court for prosecution but to let him off with the fine of Rs. 100 already realised from him.

3. I have the honour to request that the fine of Rs. 100 realised from the Shanbhogue may be credited to Government.

I have the honour to be,
Sir,
Your most obedient servant,
Sd/-
Deputy Commissioner.
